

MARSUPIJAMI

16. SVI NA POZORNICU

Marsupilami je megazvezda cirkusa Zabaljone. Svako večer on blista pred zadivljenom publikom... Osim kad zevzeči sa svojim prijateljom Lukom!

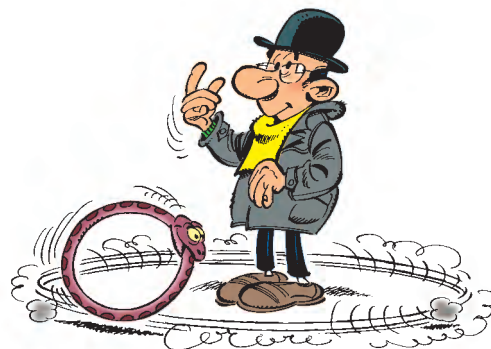

Luka je rođen u cirkusu i to je super: doručak mu serviraju klovnovi, spava u prikolici, putuje po svim zemljama sveta i naročito... ne ide tako često u školu!

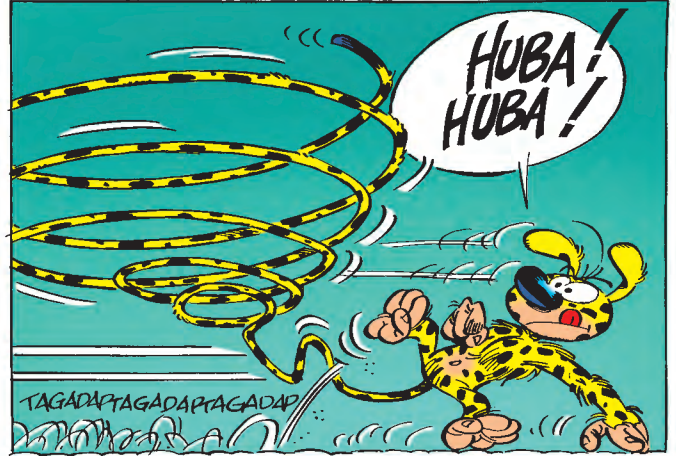

On gestikulira, riče, često se zajapuri. Divljiji od tigra i neprijatniji od medveda, to je Zabaljone, gazda cirkusa.

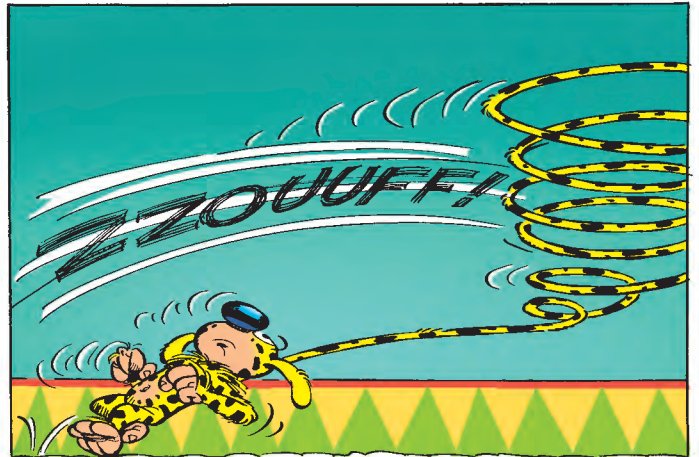

Mami Vandi je teže da pošalje Luku u školu nego da žonglira sa dvanaest čunjeva. Što se tate Herkula tiče, njegovo je zaduženje da uči Luku, što čini uz velike napore!

Slon koji surfuje? Dečja igra za dresera Noa. No, njegov najveći uspeh je što mu je pošlo za rukom da dresira kralja palombijske šume: Marsupilamija!
